Commencement of didactic cooperation with the Pilecki Institute

The Pilecki Institute started cooperation with the Internal Security Agency (TP CoE and the Human Resources Office of the Internal Security Agency) in the field of teaching.

As part of the cooperation, on August 16, 2021, ABW's TP CoE officers conducted a training in the field of anti-terrorist prevention for employees of the Pilecki Institute. During the meeting, among others, practical tips on the recommended course of action in terrorist situations, including elements of the 4U! Social Campaign, which is a visualization of the procedure recommended by the Internal Security Agency and the Ministry of Interior and Administration in the event of a terrorist event.

An important element of the training were also issues related to the role of information in the context of terrorist threats and the related potential activity of representatives of terrorist organizations towards

Polish citizens staying outside the territory of the Republic of Poland.
