Participation of TPCoE in the training for PKP SKM in Tricity

Udział CPT ABW w szkoleniu dla PKP SKM w Trójmieście

On 6-7 June 2022 a representative of TPCoE gave a presentation for the management staff of PKP SKM on: *Terrorist prevention as an element of information resources protection*.

The Centre's participation was a part of a training organised by PKP Fast Urban railway in Tricity for the company's management staff and took place within the framework of cooperation with the Naval Academy and the Navy Hydrographic Security Squadron. The company organises annual meetings to raise the knowledge and awareness of its personnel in the area relevant to safety.

TPCoE's presentation addressed issues concerning propaganda by state and non-state actors and recommended mechanisms to protect the state from hostile information practices.
