Training for Orlen Projekt S.A.

On March 27, 2023, a training course on counter-terrorism prevention was conducted on the premises of the Plock headquarters of ORLEN PROJEKT S.A., taking into account the specificity of entities related to the operation of critical infrastructure. The meeting was attended by members of the company's management.

The training was devoted to discussing the recommended way of behaviour in the event of a terrorist incident, including an attack by a mass murderer, as well as handling other emergency situations, among others, related to a suspicious package.
