Training for the Regional Branch of Social Insurance Fund (KRUS) in Katowice

On April 13, 2023, a TPCoE expert held a training session for managers of the Field Offices of the Regional Branch of Social Insurance Fund in Katowice and its employees.

The event was devoted to discussing the recommended way to behave in the event of a terrorist incident, including an attack by a mass murderer or the danger of perpetrators using explosive devices, as well as issues related to a suspicious package.

The training is another of the initiatives carried out by TPCoE as part of the education process for raising anti-terrorism awareness among employees of Social Insurance Fund branches
