TPCoE training for employees of the Regional Branch of Social Insurance Fund (KRUS) in Lublin

TPCoE training for employees of the Regional Branch of Social Insurance Fund (KRUS)in Lublin

On 31 March 2023, a TPCoE expert conducted a training course for managers and a group of employees of the Regional Branch of Social Insurance Fund (KRUS) and subordinate Field Offices from the Lubelskie Voivodeship. The training was devoted to discussing the recommended way of behaving, in the event of an incident of a terrorist nature.

In addition, the meeting addressed important aspects of protecting information resources held by institutions. In this context, the main focus was on

issues concerning the sources of information threats, which are manifested in attempts by state and non-state actors to acquire and disclose sensitive information. Following this, participants were introduced to ways of protecting these resources.

The training was another such event initiated by TPCoE as part of raising anti-terrorism awareness among officials and administrative staff.
