Training for employees of the Regional Branch of Social Insurance Fund (KRUS) in Wrocław

On 15 May 2023, an expert of TPCoE conducted a training course for managers of the the Regional Branch of Social Insurance Fund (KRUS) in Wrocław.

During the training, employees and managers of the Regional Branch of KRUS in Wrocław, learned about recommended ways to behave in the event of a terrorist incident, including a mass murderer attack or the danger of the perpetrators using explosive devices, as well as issues related to a dangerous parcel.

The training was conducted as part of TPCoE experts' promotion of the 4U! social campaign and was another in a series of events to raise anti-terrorism awareness

among employees of KRUS branches.
