TPCoE training for regional structures of the Agricultural Social Insurance Fund (KRUS)

On: 16 and 17 May 2023 training sessions on anti-terrorist prevention were held for members of management staff and employees of regional structures of the Agricultural Social Insurance Fund in Rzeszów (with the participation of representatives of the local regional branch and field offices of Podkarpackie Voivodeship) and in Zduńska Wola (representatives of the Agricultural Social Insurance Fund field offices from

the western part of Łódzkie Voivodeship).

During the meeting, the specificity of security threats in public administration institutions was indicated. Moreover, the principles of the 4U! social campaign were discussed, indicating recommended ways of proceeding in the event of a terrorist threat (also in the time preceding such an event).

The training was a continuation of activities undertaken previously by TPCoE for cooperation with public administration entities, including, inter alia, other regional structures of the KRUS.
