Terrorism – studies, analyses, prevention

We invite you to co-create the new biannual ISA entitled: “Terrorism – studies, analyses, prevention” (T-SAP).

T-SAP is a scientific journal established in 2021, devoted to interdisciplinary issues related to anti-terrorist protection and building resilience to terrorist threats in the national and international perspectives.

The biannual “Terrorism – studies, analyses, prevention” is meant to be a platform for the exchange of scientific ideas and experience, connecting the academic world and representatives of institutions and services that cooperate with each other within the Interministerial Team for Terrorist Threats, which is the coordination centre of the anti-terrorist system of the Republic of Poland.

IF YOU ARE INTERESTED IN PUBLISHING A SCIENTIFIC ARTICLE IN T-SAP, PLEASE READ THE INFORMATION FOR AUTHORS.
